

How to Upload Pictures, Videos and Documents to your Google Drive

How to Upload Pictures, Videos and Documents to your Google Drive

This screenshot shows a Windows file selection dialog box titled "Select file(s) to upload by drive.google.com". The dialog is open to a folder named "Lessons". A list of files is displayed with columns for Name, Date modified, and Type. The following files are selected with checkmarks:

Name	Date modified	Type
electric-blue-cichlids	1/22/2013 9:36 AM	JPEG ir
Labidochromis_caeruleus_(male)	1/22/2013 9:32 AM	JPEG ir
yellow peacock cichlid	1/22/2013 9:33 AM	JPEG ir

Below the list, the "File name" field contains "electric-blue-cichlids.jpg" and "Labidochromis_caer...". The "Files of type" dropdown is set to "All Files (*.*)". The "Open" button is highlighted. In the background, a browser window shows the Google Drive interface with a file named "video-2013-01-22-10-23-21.mp4" selected. A text box with arrows pointing to the dialog and browser contains the following instructions:

- Navigate to the files you wish to upload
- Select the files
- Click Open

Below the dialog, another "Upload complete" dialog box is shown, displaying the uploaded file "video-2013-01-22-10-23-21.mp4" with a "Share" link.

This screenshot shows the Google Drive web interface. At the top, a notification states "3 files have been uploaded to Burke". The main content area shows a folder named "Burke" containing the following files:

TITLE	OWNER	LAST MODIFIED
electric-blue-cichlids.jpg	me	1:21 pm me
Labidochromis_caeruleus_(male).jpg	me	1:21 pm me
video-2013-01-22-10-23-21.mp4		
yellow peacock cichlid.jpg		

On the left sidebar, there is a "CREATE" button with an upload icon. Below the file list, a text box contains the following instructions:

- You should see the files you just uploaded.
- You should also turn on File Conversion by clicking here

An "Upload complete" dialog box is overlaid on the right side of the screen, showing a list of the uploaded files:

- video-2013-01-22-10-23-21.mp4 (Uploaded, Share)
- electric-blue-cichlids.jpg (Uploaded, Share)
- Labidochromis_caeruleus_(male).jpg (Uploaded, Share)
- yellow peacock cichlid.jpg (Uploaded, Share)

At the bottom of the dialog, it says "Using 9 MB of 5 GB - 0 MB in Trash".
